

Cathedral Parking Lot Options

Effective May 9, 2011 and for about a year, while the Wentworth Institute of Technology (WIT) construction goes on, the following six parking areas will be available:

1. **Cathedral Courtyard Parking** – It is the well known parking area on the WIT side of the Cathedral. Its entrance and exit is from Parker Street.
2. **WIT East Lot** – It is the lot across the street from the Cathedral Courtyard. Its entrance and exit is from Parker Street. It is available during the weekends.
3. **WIT North Lot** – It is the lot diagonally across the streets from the front of the Cathedral. Its entrance and exit is from Parker Street. It is available during the weekends.
4. **WIT Annex Lot** - It is the lot, which is next to the Cathedral Courtyard. During Construction its entrance and exit will be from Annunciation Road (the road behind the Cathedral). After construction, a new gate on the side of the Cathedral Courtyard can also be used to enter or exit from this lot. It is available during the weekends.
5. **WIT West Lot** - It is the lot, which is on the Huntington Avenue side of the main building of the WIT. Its entrance and exit is from Ruggles Street, which is less than a block away from the Cathedral. It is available during the weekends.
6. **WIT Parker Street Lot** - It is the lot, which is on Parker Street, two blocks away from the Cathedral towards the WIT buildings. Its entrance and exit is from Halleck Street, which is on the other side from Parker Street. It is available during the weekends.

The parking areas are shown in the plan of the next/opposite page in dark grey color.

Parking Lot Counts (The Cathedral is at the intersection of Parker and Ruggless Streets)
